THE PARISH ROOM

FACILITIES

The Parish Room can hold 75 people comfortably for meetings large and small and other gatherings such as lunches, suppers, fetes etc. A new projection screen has been installed.

The kitchen can be hired separately and is fully functional with cooker and oven, fridge, a full canteen and crockery and cutlery.

The Room can be divided in two sections if required by a sliding screen.

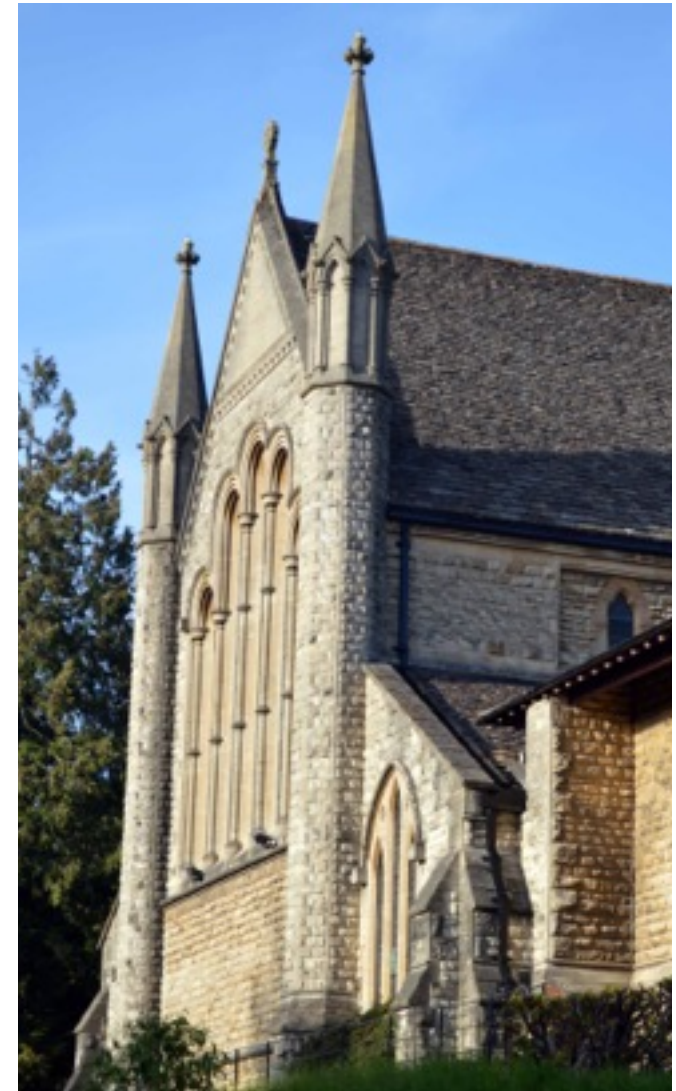

There are toilets for disabled and a children's nappy / changing area.

Heating is available.

St. George's Nailsworth

FACILITIES WE HAVE TO OFFER

For over 100 years, the parish church has been at the centre of Nailsworth life - Christenings, weddings, funerals, Remembrance Sunday, Easter and Christmas, town civic occasions and more. Its space, with amazing acoustics and an open airy feel is an asset to enjoy for everyone.

The Church is also available for so many other occasions that can benefit the community and beyond.

With a large and flexible choir area, this means that plays, drama, music recitals, orchestras, bands, choirs and fashion shows can all play their part. The Choir stalls are removable if needed for extra space.

The Church can seat up to 350 people comfortably and has marvellous acoustics for music and word.

There is available a PA system (portable and static), overhead screen for video / photograph presentations all linked to computer systems, flood lighting for the choir / stage area, heating and power sources.

A newly refurbished Renn organ and piano is available by arrangement.
